JIMINY CRICKET

Jiminy Cricket

Bookend

You need for one bookend: Completed design centered on 8-1/2"x12" white Aida 18; 7-1/8"x9-1/2" fleece; 1/2 yd. 45"-wide red pin-dot cotton fabric; 3/4 yd. of 1/8"-dia. cotton cord; 6"x9" heavy cardboard; metal bookend (upright dimensions, 6"x8"); masking tape.

1. Position fleece over wrong side of design unit so that the fleece extends 1-3/8" beyond design at sides and top and 1/2" beyond design at bottom. Baste fabrics together using 1/2" seam allowance from edge of fleece.

2. Trim design fabric even with fleece at sides and top and 1-1/4" longer at bottom. Set aside.

3. Cut red fabric into one 7-1/8"x10-3/4" and 1-1/2"-wide bias strips to equal 27" when seamed together.

			Straight stitch:
401		413	string

Stitch count: 136 high x 78 wide.

Fabrics and finished design sizes:

11 Aida, 12-1/4" x 7".

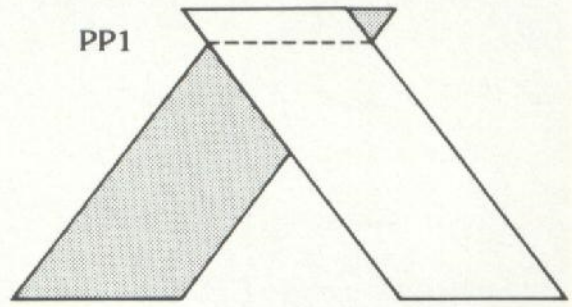
14 Aida, 9-3/4" x 5-1/2".

18 Aida, 7-1/2" x 4-1/4".

22 Hardanger, 6-1/8" x 3-1/2".

4. Make piping using bias strip and cotton cord as follows: fold fabric diagonally across grain and press. Cut along fold line. Cut strips using this angle. Sew end of strips together (Fig. PP1) to equal the required length. Lay cording down center of wrong side of strip. Fold fabric over. Using a zipper foot, stitch close to cording through both layers of fabric.

To join piping, remove stitches from one end of piping and cut the cording back 1". Ends of cording should meet. Pin fabric over ends of cording, fold raw edge under and sew ends together.



5. At each end of piping push back red fabric and clip off approximately 1-1/2" of the internal cord of the piping (Fig. 1).

FLOWER AND THUMPER

Bambi, Flower and Thumper

Diaper stacker

You need: 1-1/4 yds. 45"-wide, blue-green, cotton-blend, tiny (14 squares/inch) gingham fabric; 1/4 yd. 45"-wide yellow cotton fabric; 9"x12" heavy white cardboard.

Prepare fabrics:

1. Preshrink fabric. Cut fabric as indicated. A 1/2" seam allowance is included in all measurements unless otherwise noted.

2. Cut gingham fabric into one each 27"x44", 10"x13", 5"x21", 5"x27", 2-1/2"x4", 1-3/4"x13" and two 2"x3".

3. Cut yellow fabric into one each 5"x21", 5"x27" and 2-1/2"x4".

4. Using machine zig-zag around 27"x44" gingham piece. Position designs as illustrated in Fig. 9. One square on gingham equals one stitch. Stitch both designs.

5. Turn 27" edges under 1/2" and press. Turn each under 1/2" again and pin. Hand stitch each hem.

Walt Disney Characters© Walt Disney Productions

Ugly Duckling

Bib

You need: 9"x9" yellow Aida 14; 1/2 yd. 45"-wide blue tiny gingham fabric.

1. Trace and cut out bib pattern on page 11.

2. Pin pattern to Aida fabric and with running stitch outline bib. Remove pattern.

3. Position design as illustrated (Fig. 6) and stitch.

Dumbo and Mother

Birth Sampler

You need: Completed design centered on 20"x20" ivory Aida 14 (refer to Personalized Alphabet instructions below); 16"x16" cardboard; 16"x16" blue mat with 12"-dia. opening; frame; masking tape.

1. Center design on cardboard and tape edges to back.

2. Insert assembled mat and design unit into frame. □

Personalized Alphabet

When a project is to be personalized, a charted alphabet is provided. On the charted design, a base line is provided for each personalized line, and arrows at top, bottom and both sides indicate the center of the chart.

The easiest way to position a name or date is to use tracing paper. Rule a straight line on the tracing paper and match the ruled line to the base of each letter as you trace the X's (or other symbol) from the alphabet. When you have traced your entire name, use the graph on which the alphabet is printed and count the number of squares your name uses. Use this method to find the exact center of your name.

If the graph squares of the chart and the graph squares of the alphabet are exactly the same size, you can simply tape the traced name in position on the charted design, matching base lines and centers.

If the graph squares of the chart and the graph squares of the alphabet are in different sizes, you will have to transfer the traced stitches in position on the charted design by counting squares along the base line provided. Work outward from the center of the base line and your traced name. □

Ugly Duckling

Bib, continued

From page 3

4. Cut gingham fabric into 1-1/4"-wide bias strips to equal one 32" and one 22" lengths, seaming if necessary. Fold long edges of bias strips under 1/4" and press.

5. Use 22" length of bias to bind outer edge, leaving neck area free. Trim ends.

6. Center remaining length of bias tape on neck edge and bind.

7. For ties bring folded edges together and topstitch.

8. Tie tight knots at ends of ties and clip raw ends close to knot. □

Mickey and Mother Goose

Quilt, continued

From page 4

Construction:

5. Zig-zag around 22"x27" gingham (central design piece). Center and stitch design (each cross stitch over 2 "squares"). Trim design fabric to 20"x25".

6. Sew 2"x25" yellow strips to sides of design fabric. Sew 2"x22" strips to top and bottom of design fabric.

7. Sew 2-1/2"x27" white strips to sides of design unit. Sew 2-1/2"x25" white strips to top and bottom of design unit.

8. Sew 4"x30" gingham strips to sides of design unit. Sew 4"x31" gingham strips to top and bottom of design unit.

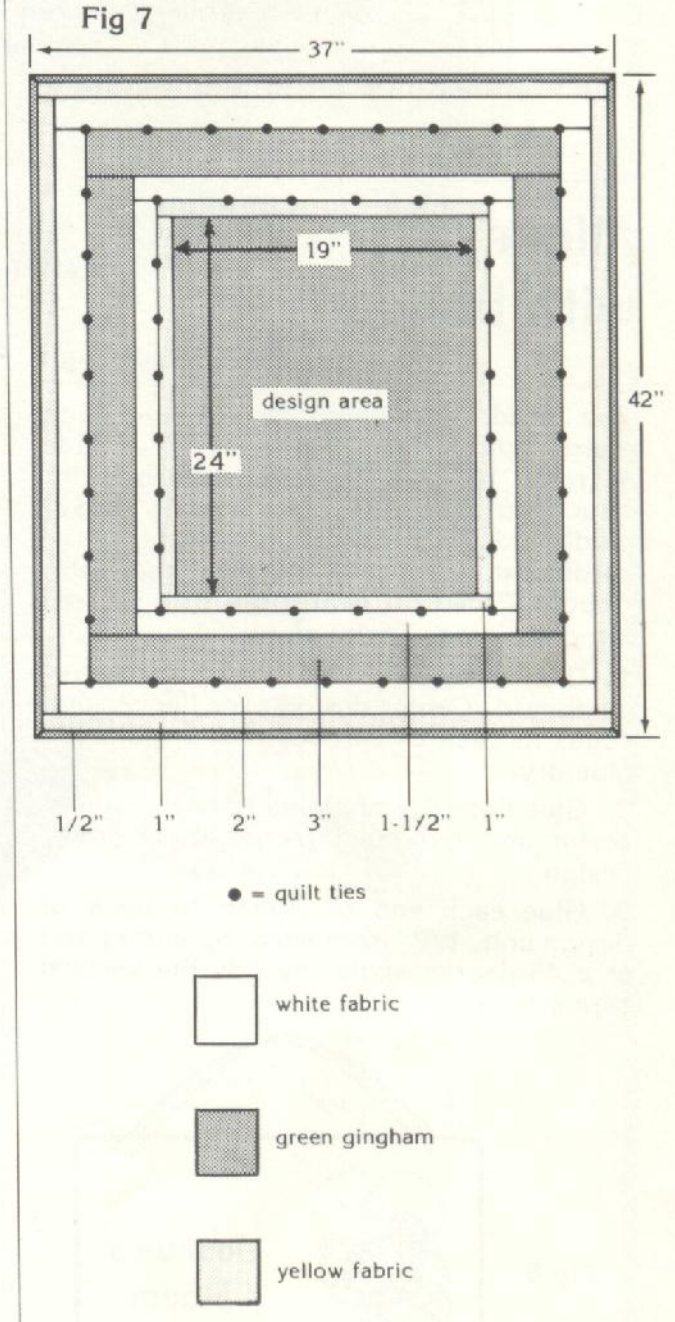
9. Sew 3"x36" white strips to sides of design unit. Sew 3"x35" white strips to top and bottom of design unit.

10. Sew 2"x40" yellow strips to sides of design unit. Sew 2"x37" yellow strips to top and bottom of design unit.

11. On flat surface lay 41"x46" gingham backing fabric, wrong side up. Center batting over backing and position design unit, right side up, on batting. Pin through all layers, baste together.

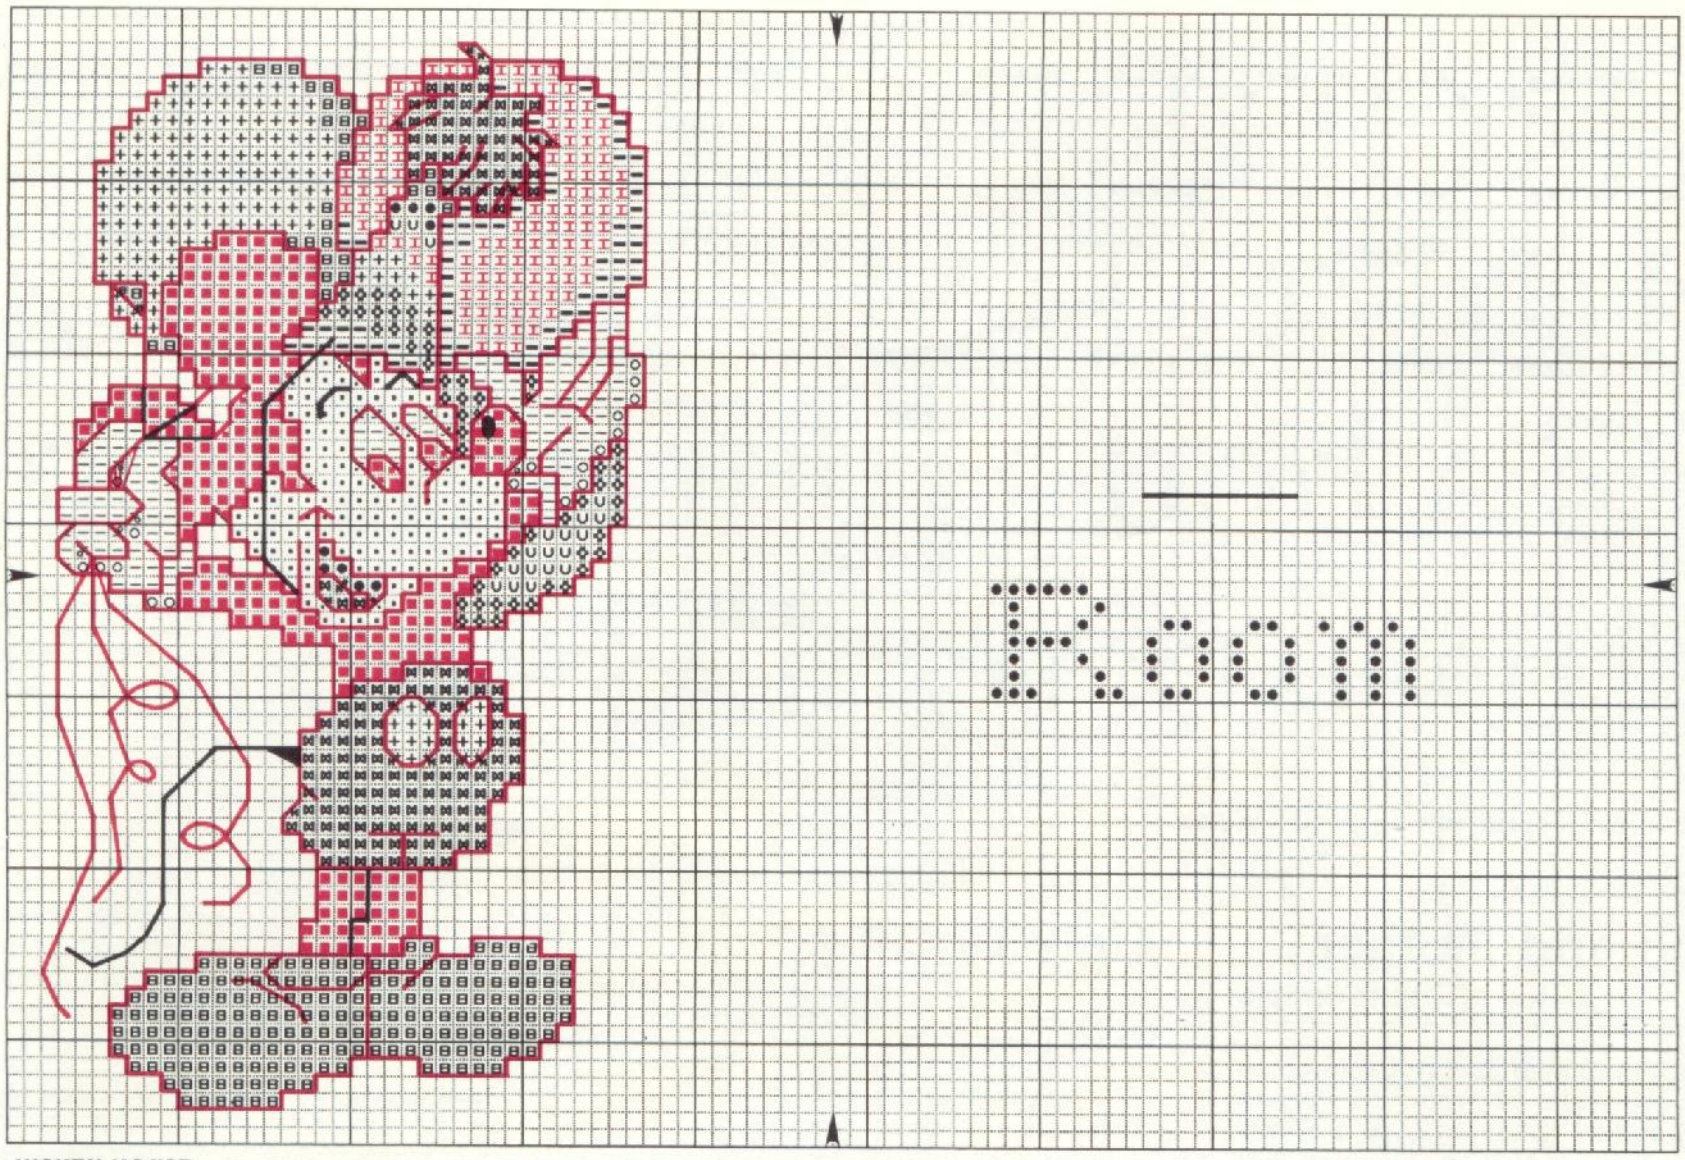
12. Quilt around Mickey and Mother Goose and the individual clouds using quilting thread. Tie quilt at bands using perle cotton (see Fig. 7 for placement).

Fig 7



13. Trim batting to exact size of quilt top, being careful NOT to cut quilt backing. Trim backing fabric, allowing a 1" margin beyond quilt top.

14. Turn raw edges of quilt backing under 1/2" and press. Bring backing over quilt edge to quilt front. Slip stitch in place. □



MICKEY MOUSE

Mickey with Balloons

Room sign

You need: Completed design including name, centered on 10"x12-1/2" blue Aida 11(refer to Personalized Alphabet instructions on page 11); 7"x9-1/4" heavy cardboard; 7"x9-1/4" lightweight white cardboard; 12" of 1/4"-wide red satin ribbon; 7"x9-1/4" heavy fleece; 1 yd. red pin-dot piping; Tacky glue.

1. Glue fleece to one side of heavy cardboard. Center design over fleece, pull edges to back of cardboard and glue. Let glue dry.

2. Glue flat edge of piping to back edge of design unit, overlapping ends at bottom of design.

3. Glue each end of ribbon to back of design unit, 1/2" from each top corner and at a 45-degree angle towards the vertical center (Fig. 8).

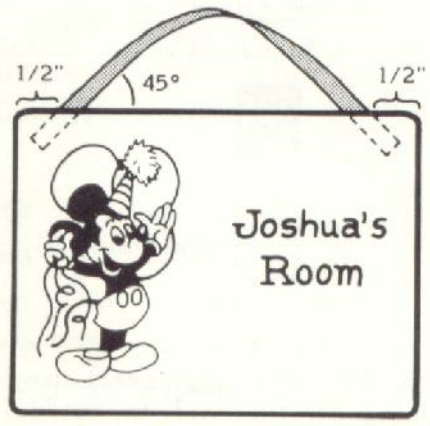


Fig 8

4. Glue wrong sides of lightweight cardboard and design unit together. Stack several heavy books on completed item until glue dries. □

14 Aida, 4-3/8" x 6-5/8".

18 Aida, 3-3/8" x 5-1/8".

22 Hardanger, 2-3/4" x 4-1/4".

Jiminy Cricket

Bookend, continued

From page 2

6. Pin and baste piping to right side of design fabric along top and side edges ONLY with raw edges aligned and corners rounded (Fig. 2).

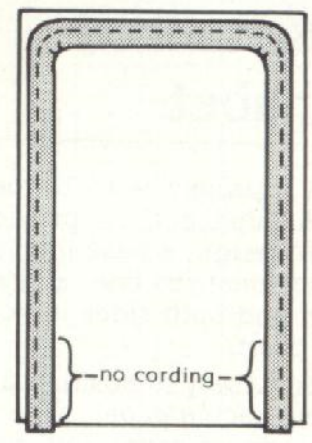

Fig 2

7. Pin and baste 7-1/8"x10-3/4" red fabric to design unit, right sides together. Sew layers together. Trim fleece close to seam. Clip corners.

8. Turn raw edges of hem under 1/4" and press. Turn hem under again (1") and slip stitch.

9. Turn right side out and press.

10. Tape cardboard to front of upright portion of bookend. The cardboard will extend 1" above top of bookend. Using scissors round off top two corners.

11. Slip design unit onto bookend. □

Walt Disney Characters© Walt Disney Productions

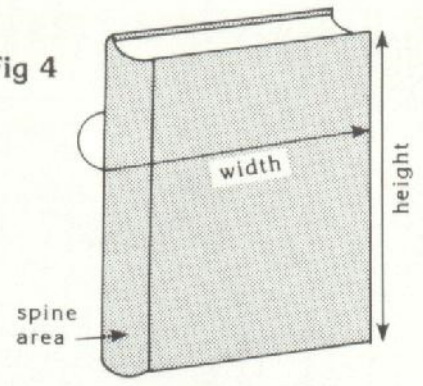
Dumbo

Baby book cover

You need: 1/2 yd. white Aida 14; 2 yds. blue piping; 1/2 yd. polyester fleece; 8-1/2"x11" baby book.

1. Measure height and width of closed book (Fig. 4).

Fig 4



2. Draw these dimensions on a piece of graph paper. Add 1/2" to all sides; this includes seam allowance (1/4") and ease (1/4"). This is Pattern A. Cut one Pattern A from Aida fabric. With sewing machine zig-zag raw edges. Center design on right-hand side, excluding spine area. Child's name may be used instead of "Baby's" to personalize this book. (Refer to Alphabet below and Personalized Alphabet instructions on page 11.) Stitch design.

To page 17

ALPHABET FOR DUMBO

Walt Disney Characters© Walt Disney Productions

Dumbo

Baby book cover, continued

From page 15

3. Cut fleece using Pattern A.

4. Measure the height and 3/4 of the width of the inside cover of book. Draw these dimensions on graph paper. Add 1/2" to all sides. This is Pattern B. Using Pattern B, cut two pieces of Aida for inside flaps. Turn under one long side of each flap 1/2" and stitch.

5. To make Pattern C: measure the height and width of spine area. Draw these dimensions on graph paper. Add 1" to the height for seam allowances and ease. Add the width of one cover to the spine width. Using Pattern C, cut one piece of Aida to cover spine area and part of the inside flaps.

6. Pin piping around design fabric with raw edges aligned. Ends of piping should overlap on side opposite design.

7. Layer the components on a flat surface in the following manner (Fig. 5).

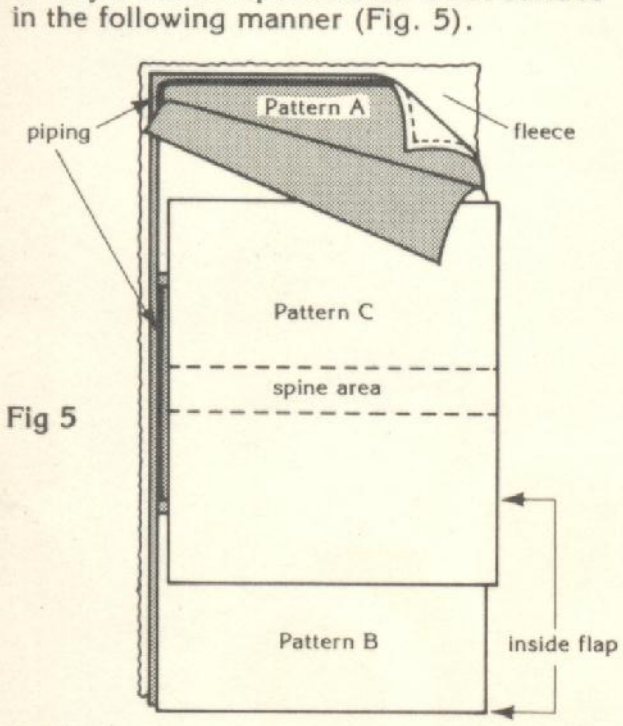


Fig 5

8. Pin all layers together and baste in place. Using a zipper foot, sew around all sides, using 1/2" seam allowance. Trim seam allowance to 1/4" and clip corners. Remove all basting threads.

9. Turn design unit right side out by pulling on flap under the spine cover. Turn flaps right side out. Push corners out and insert book. □

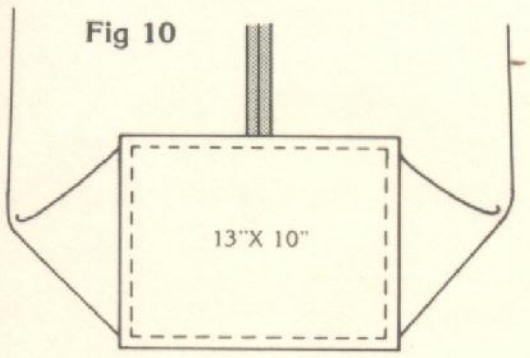
Bambi, Flower and Thumper

Diaper stacker, continued

From page 4

7. With right sides together pin 10"x13" gingham piece to raw edge of design fabric at base of designs (Fig. 10). Sew around and turn right side out.

Fig 10

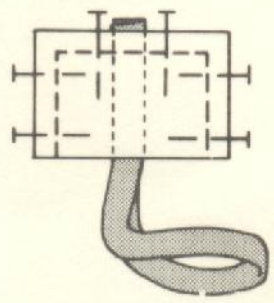


8. Gather upper edge of design fabric to approximately 4" and secure threads.

9. To form hanger turn long edges of 1-3/4"x13" gingham under 3/8" and press. Fold in half lengthwise, wrong sides together, and topstitch along folded edges.

10. With right sides together pin 2"x3" gingham pieces. Fold hanger in half and insert between above unit, matching raw edges and positioned in center of long side (Fig.11). Sew around three sides of hanger unit (Fig.11). Trim seam to 1/4", clip corners and turn right side out.

Fig 11



11. Fold gathered edge of design fabric in half so that the opening is centered in front (Fig. 12). With right sides together and raw edges aligned, sew gathered edge of design fabric to front side of hanger unit (Fig. 13).

Fig 12

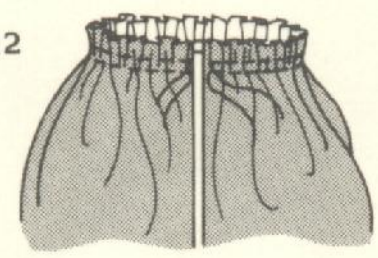


Fig 13

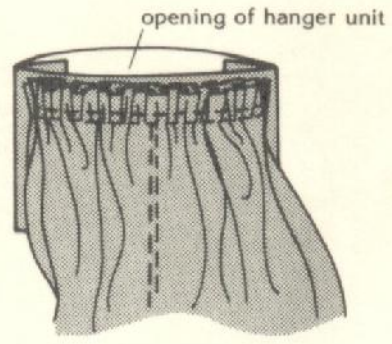

12. Fold under remaining raw edge of hanger and hand sew to back of design unit at seam line.

13. To contruct bow: pin right sides of 5"x21" yellow and gingham pieces together. At each short end cut an inverted "V" shape (Fig. 14). Sew around, leaving 2" opening at center of a long edge for turning. Clip corners and trim seam to 1/4". Turn right side out and push out "tails". Turn raw edges under and slip stitch closed. With doubled thread sew a running stitch across center and gather to approximately 1" width (Fig. 15). Press and set aside.

Fig 14

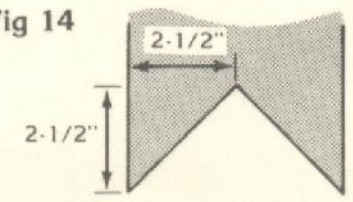

Fig 15

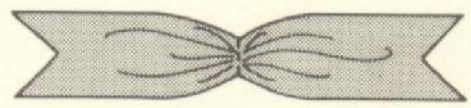
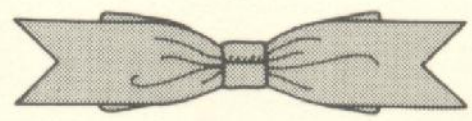


14. Pin right sides of 2-1/2"x4" yellow and gingham pieces together. Sew around, leaving one short end open for turning. Clip corners, turn inside out and press. Set aside.

15. Pin right sides of 5"x27" yellow and gingham pieces together. Sew along both long edges. Turn right side out and press. Fold in half with raw edges overlapped 1" at center back and yellow fabric on the inside. Sew running stitch across center through all three layers of fabric. Gather to approximately 1".

16. To make completed bow: place "bow" in front of "tails" matching gathered areas. Wrap remaining fabric piece around bow and tails at gathered area, fold under raw end at back of tails and tack in place (Fig. 16). Tack bow unit at base of hanger loop.

Fig 16



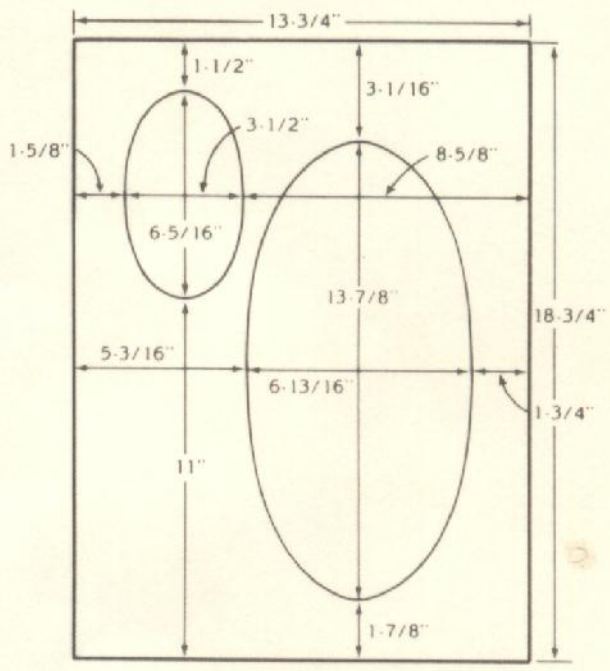
17. Position cardboard foundation into diaper stacker at base, trimming if necessary. □

Tinkerbell and Peter Pan

Framed picture, continued

From page 7

Fig 3



1. Position and tightly staple both designs to the cardboard so that each design is centered under its respective mat opening. It will be necessary to trim both design fabrics at the point where the mat openings are the closest.

2. Insert mat and completed design unit into frame. □
